CDI Updates: Info Nite will be held Wednesday, September 06, 2023 with registration starting at 6:45 pm and program from 7-8 pm at Cline in the Auditorium. Michelle would like the BCs present, and if any TMs are available to help with check-in and answering questions before/after, it would be greatly appreciated! ParentSquare will push the notice this/next week district-wide and (hopefully) Building Coordinators have been pushing it at their schools, but please spread the word! All workshops will be between 9/11 and 9/21. Registration portal will be open September 7-25.

Building Coordinators will all receive a \$20 stipend for supplies, per the PSG vote of 08/03/23. Volunteers for workshops leading instant challenges are appreciated! If you are able to help out at ANY Placement Workshop, here is a sign-up link for your info so the Building Coordinator can contact / expect you. Michelle asked that any TMs with openings on their teams be at their building's workshop/s. [PLACEMENT WORKSHOPS](#)

- The first batch of the team numbers are in processing, which means Michelle can soon apply them to TMs. First, she needs to have applications in hand.
- Harry is working on the 46-page document to fix the nonprofit status from private foundation to public. Unfortunately, it will take up to 6 months to be processed once it hits the IRS (all done online).
- Jose and Laura have agreed to lead a "How To Lead Instant Challenges" training clinic for Team Managers. They are working with Michelle to set up a date, time, and location.
- Michelle discussed [Ohio Ace Program](#) as another financial benefit that could be available for our families. Monies are government Covid monies assigned to Ohio for afterschool programs.
 - Possible monies available to reimburse DI registration and/or Globals tournament cost (a family is applying, will advise if program agrees with application).
 - Michelle is adding pages to CDI website that will fulfill requirements of the program and is considering submitting an application to be an approved "vendor".

- **CCS Central Office:** See parked items.
- **North West Region Updates:** Confirmed dates - November 4th, TM Training; March 9th, North West Ohio Tournament.
 - Reminder that due to restructuring of Ohio regions, we are now called the North West Region. Our region extends from (us) up to the Toledo region (straight up 75).
- **Ohio/OKC Affiliate Updates:** The Affiliate Director is the liaison between the affiliate and DI HQ. Cinda Weisberger has resigned her AD post; Vince Pachiano & Nate Woods will work cooperatively as the co-AD.
- **DI HQ Updates:** DI is putting out a new program called "Skill Fire", which looks to simply be the tenets of the DI program without the tournament. If you'd like to look at a sample of the first "lesson", you can find it here: [SKILL FIRE](#). Michelle plans to distribute this sample lesson plan to all Team Managers since it deals with "Teamwork & Communication".

SECRETARY REPORT - Sheila Camillus - contact at psg4cdi@gmail.com: The next PSG meeting will take place immediately before the TM Training on WEDNESDAY, OCTOBER 11, 2023 from 6-6:45 pm; TM arrival/training will be 6:45 - 8:30 pm.

TREASURER REPORT - Anita Pennington - contact at cdipsg.treasurer@gmail.com:

- We received \$67.94 from Kroger. This is from 12 households from 5/1/23-7/31/23. The check arrived on 08/29/23 and will be deposited into the Day Air account.

 - \$174 Vista Print charge was refunded (initial website/"webs" transfer that was cancelled due to using WordPress).
 - Detailed Treasurer Report attached.

COMMITTEE REPORTS:

Web/Social Media (Michelle Oxrider): Website has been converted and is in the process of being rebuilt. Most information has been "dumped" but is not yet been made "pretty". Unfortunately the files were linked to the Vistaprint/webs proprietary software & it appears they did not transfer completely; please allow Michelle time to reload.

Alumni Ambassadors - Rebecca Gruenberg & Preeti Balachandran - contact @ CDIalumni12@gmail.com:

- Collecting senior emails. Waiting to hear back from graduates; Morgan Lehman is to be collecting their updated/current contact information. Michelle will prompt Morgan.

Bylaws - Dee Gordon - contact at deegordon@roadrunner.com :

Michelle Oxrider, Dee Gordon, & Barb Proehl met on Thursday, August 24th via Zoom finalize changes to the Bylaws. Bylaws were emailed for review to all members that had been present at the last meeting. Due to a death in the family, Laura made a motion & requested that the vote be held for a week. Dee will resend the Bylaws with a reminder that an email vote will be sent next week with a tally to be held on or by Thursday, September 7th, so that updated Bylaws are available during the Registration process.

Spirit Wear: Michelle has started the process & we are scheduled for a sale from October 20th - November 3rd with Embellished Threadz.

- November 17th delivery date, before Thanksgiving &/or winter holidays/gift giving occasions.

Fundraising / Grants (Anita Pennington) - contact at PSGfundraisingforDI@gmail.com:

- Anita will reach out to Laser Web for Presidents Day and Thanksgiving fundraisers.
- Dayton Children's has agreed to be a DI sponsor this year. Anita has sent them an invoice.
- We are waiting on payment from Beyond Kompare Auto Detailing (HOCWT member).
- City Barbecue reached out with a few fundraising options. We should probably also tap them (again) in the Spring for gift cards to use at the Banquet for raffles - they gave us two last year with bottles of BBQ sauce.
- Michelle has some places we should contact to request grants but would like someone else to take on the grant writing.

District Pins (Jose & Laura Torres): jutorres1023@hotmail.com & lgtorres1028@hotmail.com

- Submit designs by November 12th
- Pick a design by November 14th meeting

Outreach / Social Media: Michelle really needs someone to work on outreach and dropping social media posts at different times of year - beginning, tournaments, fundraisers, etc.

Round Robin - aka IC/Picture Day (Barb Proehl): Date confirmed - Saturday, February 3, 2024 at CHS.

Dress Rehearsal - Rebecca Gruenberg & Preeti Balachandran - contact @ CDIalumni12@gmail.com:

- March 3rd Magsig and Cline
- Submit building use forms now for both buildings

Dissert Banquet (Deb Nelson): Deb has confirmed that she will chair the Dissert Banquet.

Tournament (State/GF) Travel Coordinator - Dee Gordon - contact @ deegordon@roadrunner.com : We don't need hotels for State since it is in Lakota; however, it was suggested at year-end wrap-up that PSG should consider trying to book a block of hotel rooms at GF24 hotels to avoid the same issues we had in 2023. There has also been discussion about possibly reserving a CCS bus to take students to State early on the morning of April 12th.

Off-season Outreach - Doug Proehl - contact at dougproehl@hotmail.com : Party in the Park event was Friday, August 11th. Kenzie (Mom Ginni) Foster won the Lego prize and Michelle delivered it to them. They were very excited! Mom intends to bring her to the Weller Workshop.

- Had 63 recorded boats that were built.
- Had mixed participation. Many were non-Centerville residents or current/prior DI-ers.
- Board felt that it was worth the time/effort to offer access to program information & be a "presence" in the community.
- Low cost - Materials came from overage of IC Kits; pens & bracelets will be used elsewhere over time; raffle Lego prize was \$25 during Walmart sale (Prime Days) and since we are a member of HOCWT, the booths were "free".
- Doug suggested revisiting the idea of doing an Americana booth. It has been added to the Parked Items list.

FOLLOW-UP / "PARKED" ITEMS:

- School Signage (placards): Laura to follow up on signage pricing; vendor had offered to work with us. Questions on if the quotation was double or one-sided, and how many colors. Will need signs by 09/09/2023 to have them placed at elementary school locations before their workshops.
 - *The signage quote for 18X24 corrugated hard plastic with wires H are 12 for \$336 or 20 for \$500.*
- **Pupil Activity Permit UPDATE-** Official response has come from CCS - we will **NOT** be required to have TMs certified with a Pupil Activity Permit. Legal sent the following:
I agree with you, ODE's guidance and publicly available information is not very helpful. Yesterday I spoke with a representative from ODE's licensure office, which handles PAP permits. She explained that ODE's position is that they do

not offer “non-athletic” PAPs. She stated that ODE views it as a local decision for the Superintendent to decide if a supervisor of a non-athletic student program (such as mock trial or science Olympiad) need a permit. The Superintendent has discretion to decide whether the supervisor needs a PAP permit, an educational aide or student monitor permit, or no permit at all. ODE’s coaching permit [website](#) confirms that “school districts determine which staff members need to have a permit.”

We recognize that this does not directly align to the statute/administrative code. However, based on ODE’s application of the relevant statutes and guidelines, each school has discretion regarding the permit requirements for “non-athletic” programs. Centerville is not required to have the supervisors of non-athletic programs complete all of the training requirements needed to obtain a PAP permit.
